

During this **FREE** self-guided tour, you can visit any number of the participating studios and discover the original art – paintings, woodworking, jewelry, ceramics, and so much more – created by Ames area artists. Participating artists will demonstrate their craft, share techniques, discuss what inspires their work, and have beautiful pieces for sale. Don't miss this unique opportunity to get a behind-the-scenes look at the creative process. Find a map and the list of studios on our website.

The Ames Community Arts Council is a non-profit organization funded through grants, donations, and memberships.
