

How to find CASA behind the construction!

Creative Artists' Studios of Ames
130 S. Sheldon Ave
515 292 3448

CASA is in the CUMC Annex. The most convenient entrance for the studios is through the North door and down $\frac{1}{2}$ flight of stairs.

With construction, there are two reliable ways to get into the parking lot: (A) from Lincoln way through the lot East of Dunkin Donuts or (B) from Hayward through the parking lot south of the ATM and running behind Collegiate United Methodist Church. *It is also sometimes possible to come up Sheldon from the south to access the parking lot.*
